Winnekenni Foundation, Inc.

Winnekenni Foundation, Inc. was founded in 1968 as a nonprofit organization by a group of Haverhill’s leading citizens. Their mission was to restore the Winnekenni Castle, which was in ruins, and to promote the arts and sciences for residents of Haverhill and the Merrimack Valley area. After successfully restoring the Castle, the Foundation actively promoted the use of the Castle for family events, public gatherings and celebrations.

Today, Winnekenni Castle is a center for artistic, educational and social activities. Set in one of the most beautiful locations in the world, the Castle attracts visitors from all over, season after season. Many couples are so enchanted with this picturesque setting, that they choose to exchange their wedding vows here. Families are welcome to picnic on the grounds, attend various exhibits and public events, such as concerts and other performances, held inside Castle, as well as outdoors with the Castle as a charming backdrop! All people are welcomed and encouraged to use and enjoy the Castle and grounds!

The Board of Directors, born from the Membership of the Winnekenni Foundation, is charged with the continued maintenance and enhancement of the Castle’s grounds, buildings and programming events. In the future, the public can look forward to ever increasing programming representing a growing range of arts disciplines, sciences and education for children young & old alike, community outreach, continued development of facilities, including a courtyard, cascade stairway and formal gardens.

You Can Help The Castle Flourish!

Become a Member of the Winnekenni Foundation, Inc. today and say with pride that *you* are helping to preserve a piece of local history while enhancing Haverhill’s finest crown jewel—Winnekenni Castle!
