ISSUE: JUNE 2009

## A Message From The President

Dear Friend of Winnekenni Castle,

The Castle's 2009 Event Season is underway, and what an incredible line up of community programs we have! See our enclosed/attached complete Schedule of Events, which includes our returning Signature Events: Wine and Cheese Reception; 4th of July Pancake Breakfast; and our month of Haunted Halloween Events! Two first time events from last season: The Winnekenni Chowderfest with the B-Street Bombers on Sun. Aug. 9th, and the Castle's Holiday Gala on Thurs. Dec. 10th are also back, and both promise to be even bigger and better than last year--you won't want to miss them!

These are exciting times at Winnekenni Castle. So much has changed in recent years, and yet there is so much more to do. Now in its 41st year The Winnekenni Foundation is concentrating its' immediate fundraising efforts on restoring the Castle's Majestic Main Tower. Beginning with the Ice Storm in December 2008, the Castle suffered extensive Winter damage and deterioration to its' masonry, including serious cracks at the upper Main Tower. It is critical that we raise the funds for this costly but essential project! In addition, we are also continuing our work to complete the renovation of the Picnic Grounds area, as well as creating a rustic parking lot in back of the Castle's Barn. Foundation members and volunteers continue to expand and improve the gardens around the Castle and, if all goes well, there may even be a major road improvement project completed by late summer.

Now more than ever, we are asking the community to rally around the Castle and become members of The Winnekenni Foundation. Our goal is to recruit 500 new members this season. This won't be easy given the economy, but we know that you understand how important and unique Winnekenni Castle and Park are to Haverhill. Please review the enclosed/attached Membership Application and join The Winnekenni Foundation today!

Thank you.

Grace M. Marcoux, President
