Spring 2010

Winnekenni Castle Classic Car Cruise Day is upon us again!

Last year Winnekenni Foundation hosted its First Annual Classic Car Cruise Day and it was a great success. This year we will expand it with even more cars, more activities, more prizes, and more food, however, we will need your help.

As always the success of our programs depend on the generosity of the community and surrounding local businesses. We hope that you will join us in making this year's Winnekenni Castle Classic Car Cruise Day bigger and better than last year. We are looking for volunteers, donations, prizes, and gift certificates to help make this event fun for all, while moving us closer to reaching our goals for the Castle and its grounds. Your help in ensuring the success of this exciting event is key, and would be sincerely appreciated.

Thank you,
